REFERENCES

Zelia Lopes - Digital Solutions Superintendent - Bradesco Insurance

"Ricardo is a extremely detailed and compromised professional, delivered focused with quality and deadline accomplishment. He performs his goals with extreme capacity and great service within his partners and colleges"
June 30, 2015.

Marcia Cardoso – Senior Test Engineer at UBS Investment Bank

"Ricardo handles very well working with deadlines (I mean, he's always concerned about delivering the tasks on time) and teams from abroad. He's also easygoing and a nice colleague to work with."
February 5, 2009

Sergio Brito – International Projects Manager – DBA System Engineering

"I have had the pleasure to work with Ricardo and enjoy his super level of Commitment, Dedication, Experience and Knowledge put into work in every aspect of his deliverers. His attention to details, Positive Attitude, Responsiveness, ability to communicate with customer understand their needs and revert with a well thought solution has been a key contributor to our team. I highly recommend Ricardo."
July 14, 2011

Luciano Gallucci – General Manager at 3jane Systems

"Excellent professional, results guided. Always looked to conclude his tasks, give new ideas for internal processes improvement. Punctual and much compromised with the company objectives"
February 5, 2009
